

How Would You Like Me to Personally Walk You Through the Exact Game Plan My Clients Use to Reduce Jealousy and Create Thriving, Beautiful Relationships... Absolutely for Free?

From the Desk of: Kitty Chambliss, ACC, CPC, ELI-MP

Dear Friend,

Let's talk about RELATIONSHIPS for a second:

Every week, our Loving Without Boundaries members are in our Facebook Group, raving about their successful relationships....

Their growing, intentional families...

Their satisfying and fulfilling love lives...

Feeling more free and liberated than they have in years, living an authentic life they love...

All while being surrounded by a community of like-minded individuals who totally "get it" and support each other...

In fact, if what's being posted on Facebook is any clue...

In the past year, Loving Without Boundaries has helped more folks in open relationships find community, effective relationship tools, peace of mind, and even experience sympathetic joy than any other group. Anywhere.

The only question you need to ask yourself is,
"Do I want more fulfilling relationships and the tools to rock them as soon as possible?"

If the answer is YES, then I'd love to share with you how we're getting these kinds of results, and I'd like to share it with you for FREE.

Here's how it works...

Right Now, You're Probably Stuck on One of These 3 Things...

You want to get more out of love, life and relationships, exploring love (and maybe even sex... gasp!) with multiple partners – but don't know how, where to turn for support, or if it's even possible...

OR...

You are already in multiple relationships, but you or a partner are struggling with overwhelming feelings of jealousy that create a roller coaster of emotions that drain and confuse you so much, you can barely focus on your daily tasks...

OR...

You're working too hard on finding the right communication tools to speak to your partners and help everyone understand and build connection (instead of fueling more horrible anxiety-producing conflict)... you deeply desire an intimate network where you can unplug, relax, and connect easily with each other, enjoying amazing quality time and the joy that comes with that serenity to the fullest extent possible. Yes!

Which of those sounds more like you?

The good news is that whichever it is, I can show you a plan that will help you make it a reality...

...and I'll do it for FREE.

Consider this:

These are the kinds of results I get for my clients every single day. If I can do it for them, why can't I do it for you?

This way of life is more possible than you think, especially when you surround yourself with a community of people already doing it. We want to welcome you to that new world. Your support group. Your place to learn.

Here's How to Get Our Help for FREE...

I've set aside some time to speak to you over the next few days.

We'll get on the phone for about 45 minutes. On that call, we'll lay out a plan to help you do ANY or ALL of the 3 things we mentioned above.

This plan is going to enable you to **hit your relationship goals this year...and blow right past them...**

...with **LESS effort and stress (and less jealousy) than you are struggling with right now.**

It's a bold promise...

But after helping so many of our amazing and courageous clients, I feel very comfortable making it.

The plan we craft together will be SIMPLE, CLEAR, and light years ahead of anything you've heard from anyone else.

After all, Loving Without Boundaries is a place where desiring abundant love and multiple relationships isn't seen as selfish. It's courageous and self-loving. You will no longer feel shamed, guilty, or misunderstood due to your natural desires. You are safe here. And you're not alone.

Our stuff works. And we know that if we work together, and you stay coachable, committed, and resourceful, there is NO limit to what you can achieve in your relationships.

This invitation is going out to over 1,000 people right now, so as you can imagine, it's going to create a HUGE response.

That's why I need you to read this next part carefully:

This is NOT for Everybody. Here's Who I Can Help:

I'm VERY picky about who I'll work with, and I have a strict (but reasonable) set of criteria that needs to be met in order for us to proceed:

1. You need to be able to “own your sh*t” by taking responsibility for your contribution to the success or failure of your relationships.

This offer is for people who have perseverance, a courageous attitude, a genuine desire for personal growth, and a willingness to look in the mirror and take positive action for their own success. If you can do that...let's talk.

But, if you'd rather blame other people for your lot in life, taking no responsibility for the part you play in your relationships and communication style – no offense, but this is not for you.

2. You MUST be an action taker who follows directions. That means you're coachable, perseverant, and resourceful. (Don't worry – we won't ask you to do anything weird.)

If you like to “kick tires” or sign up for things and not follow through, this is NOT for you. Maintaining a 100% client success rate is VERY important to me. Please be someone who doesn't mess around, and is serious about results as well as their relationships.

That's it – if you meet BOTH of those requirements, we're good.

Here's What I Want You to Do Next:

If you meet the criteria above, and you'd like to talk about getting some incredible results, then I'll happily set aside some time for you.

Here's what to do next:

Head over to <http://www.lovingwithoutboundaries.com/apply> and you'll see our calendar. Grab whatever appointment time works for you.

Then you'll be taken to our quick application form. It's very fast, unobtrusive, and even fun!

I just need to know more about your current situation and what you want to accomplish.

That's it!

The initial call will be about 45 minutes, and it will be the BEST time you have ever spent working on your relationships.

WARNING – TIME IS A FACTOR!

This invitation is going out to 1,000+ people today, and there is only so much time available in the schedule.

It's physically impossible for me to work with more than a handful of people, so it is FIRST COME, FIRST SERVED.

[If you feel like this is the right opportunity for you, click here, leave your application, and let's talk one-on-one!](#)

With love and gratitude,
