

Thank you for booking a Facebook Live interview with Kitty Chambliss!
I am excited to meet with you shortly.

In preparation for our meeting, please note:

QUESTIONS – Here are QUESTIONS to prepare for our Interview:

- 1) Kitty does an introduction.
- 2) Tell us a little about yourself.
- 3) Are there any questions that you would specifically like us to ask you? If so, please send them to us in advance.

TECH – To make sure it goes smoothly in front of the LWB Facebook group, we will need to work out the tech ahead of time.

a) If we can, I'd like to do a **quick tech check** that should only take about 10 minutes or so. Let's get that sorted after you book the interview itself. That way, we show up calm, cool, and collected for the interview, instead of frazzled if we have any tech issues.

b) Here are some **instructions** for you as the interviewee:

<https://streamyard.com/resources/docs/guest-instructions/>

c) Eventually I will send an **"Invite A Guest" link** for both our tech check and the actual live interview. Please come into the "broadcast studio green room" (meaning click the link) about 5 minutes before our scheduled time for our interview.

d) **NOTE: DO NOT USE the ZOOM LINK that is automatically created with our meeting confirmation to connect! We will be meeting for the live interview via the Streamyard link that will be sent to you. If you do not receive that link within an hour of the interview, please reach out!**

With love and gratitude,
Kitty
